MSA Integrated Management Programme

- A bespoke training programme for emerging managers and leaders
- Providing new or potential managers everything they need in one comprehensive programme of modules
- MSA will work closely with you to build a programme of relevant training modules and a schedule to suit your company requirements and the nominated participants
- In-between modules MSA will support, coach and provide 'homework' exercises
- During the course of the programme the participants support one another and will experience significant inter-team development

Sample Programme Modules

Sample Programme Schedule

	Jan	Feb	Mar	Apr	May
1. Introduction & Teambuilding	12-13th				
2. Personal Development		10th			
3. Negotiation & Communication		23-24th			
4. Managing Teams & People			16-17th		
5. Managing Change & Problem Solving				6th	
6. Selling & Customer Service				27-28th	
Programme Review					12th

- The module titles and dates are provided as an example only
- The programme and schedule will be tailor-made in line with your requirements

Why Choose an Integrated Management Programme?

- Increase leadership capability within your organisation
- Give the rising stars in your company the opportunity to fulfil their potential and take on more demanding roles with the confidence and knowledge to succeed
- Investing in the development of internal talent will save thousands on external recruitment costs
- Participants will take part in an outstanding development programme that will inspire, engage, change behaviour, build confidence and provide the knowledge to drive personal and business performance
- Experience significant savings through improvements introduced by graduates of the programme
