

1-2-1 Executive Coaching & Mentoring

A high percentage of organisations use coaching at all levels to build on good performance and reduce poor performance, and also embedded in leadership development programmes.

Coaching is a very accessible and effective way to develop staff and has the added benefit of being tailored to an organisation's specific needs. It offers great scope to improve employee engagement, empower people, boost morale and confidence levels.

MSA has a highly flexible and positive approach to coaching. With over 20 years expertise, our bespoke coaching and mentoring programmes will bring fresh ideas, inspire confidence and give individuals the tools, knowledge and motivation to transform their performance.

MSA will build a bespoke programme around your requirements, and will work with all staff through to Chief Executive, CFO, CIO, COO levels. Typical areas include;

- Promotion planning and interviews
- Management development programmes
- Performance issues for Divisions
- Readiness for succession roles
- Leadership skills
- Strategy planning support
